---

## EDUCATION

**University of Minnesota, Twin Cities, MN**

Expected Graduation May 2026

Bachelor of Computer Science

GPA: 3.4

CSE Dean's List: Fall 2023

---

**CODING PROGRAMS:** C++, Python, C#, C, Java, Linux, GitHub, Microsoft Visual Studio Code, Git, and IntelliJ

---

## SUMMARY

People friendly, customer service focused student. Seeking a fun part time position where I can be the first friendly face customers see. To represent the company values and make their experience the best it can be.

## WORK EXPERIENCE

---

**Coded a Shopify Website for my Apparel Business, Maple Grove, MN** December 2021 - Present

- Planned out what the product pages, collections, and custom orders would look like
- Designed the user interface, order confirmation, and handling over 50 SKUs
- Hand fulfilled over 100 t-shirt orders with 12 screen printing screens, from my basement

**Production Assistant Intern, Imprint Engine, Brooklyn Center, MN** May 2023 - May 2024

- Shadowed how company data, coding, and inventory create custom websites for brands
- Sorted, and folded apparel with quality control at top of mind for each item over 100,000 items
- Learned how to handle company relations, communicating their brand vision on custom orders

**Customer Service Leader, Elm Creek Recreation Area, Maple Grove, MN** November 2021 - January 2022

- Leader of the shifts at the skiing resort for over 6 employees at a time
- Managed the 4 front desks of ticket, rentals, merchandising, and food sales
- Answered the phones and addressed customer needs for the skiing resort

**Stocker, Hy-Vee, Maple Grove, MN** December 2020 - November 2021

- Assisted any customer service needs throughout the store while unloading pallets efficiently

---

## LEADERSHIP, ACHIEVEMENTS, AND EXTRACURRICULAR

**Escape Room Solver and Puzzle Box Enthusiast, Maple Grove/Minneapolis, Minnesota**

- Have solved 3 escape rooms, (**Escapology:** Scooby Doo, **Breakout:** Kidnapping, Bomb Squad)
- Love watching youtube videos on new/hard escape rooms and Chris Ramsey puzzle boxes
- I own over 4 puzzle boxes (Wooden Escape Boxes) , (Potato puzzle, iDventure, and Esc Welt)

**Volunteer Lead of Club Y.E.S (Youth Extending Services), Maple Grove, Minnesota**

- Leader of projects like community holiday events, school carnivals, and Habitat for Humanity
- Did over 40 hours at events each semester for 100s of different people

**Member of The U of M ACM UNIX / Linux Environment Club with GitHub, Minneapolis, Minnesota**

- Socialized with 50 different people from my major about computers and learning new things

**3D Printed a Custom Fitted Shower Head, Minneapolis, Minnesota**

- At the UMN Anderson Design Labs learned how to use Prusa, and Meshmixer with 5 STL files

**Custom built a Gaming PC, Maple Grove, Minnesota**

- Researched the best CPUs, cases, motherboards, RAM, SSDs, and power supplies independently
